

# Lucky Star

## Madonna

You must be my lucky star  
'Cause you shine on me wherever you are  
I just think of you and I start to glow  
And I need your light and baby you know Starlight, star bright, first star I see tonight  
Starlight, star bright, make everything all right  
Starlight, star bright, first star I see tonight  
Starlight, star bright, yeah You must be my lucky star  
'Cause you make the darkness seem so far  
And when I'm lost you'll be my guide  
I just turn around and you're by my side Starlight, star bright, first star I see tonight  
Starlight, star bright, make everything all right  
Starlight, star bright, first star I see tonight  
Starlight, star bright, yeah  
Come on, shine your heavenly body tonight  
'Cause I know you're gonna make everything all right  
Come on, shine your heavenly body tonight  
'Cause I know you're gonna make everything all right You may be my lucky star  
But I'm the luckiest by far  
You may be my lucky star  
But I'm the luckiest by far Starlight, star bright, first star I see tonight  
Starlight, star bright, make everything all right  
Starlight, star bright, first star I see tonight  
Starlight, star bright, yeah Come on, shine your heavenly body tonight  
'Cause I know you're gonna make everything all right  
Come on, shine your heavenly body tonight  
'Cause I know you're gonna make everything all right  
He may be my lucky star  
I'm the luckiest by far  
He may be my lucky star  
I'm the luckiest by far  
He may be my lucky star  
I'm the luckiest by far  
He may be my lucky star  
I'm the luckiest by far  
I'm the luckiest by far Starlight, star bright, first star I see tonight  
Starlight, star bright, make everything all right  
Starlight, star bright, first star I see tonight  
Starlight, star bright  
Starlight, star bright, you make everything all right  
What you do to me baby  
You better stay by my side tonight  
Starlight, star bright  
Starlight, star bright

Starlight, star bright  
Starlight, star bright  
Starlight, star bright, baby  
Starlight, star bright, stay by my side tonight  
What you do to me baby  
What you do, what you do to me baby  
Stay by my side tonight
