

# The Space In Between

## How to Destroy Angels

All the blood lying on the floor  
Sense the crowd expecting something more  
Opened up, proudly on display  
What we tried so hard to hide away  
Blinding light illuminates the scene  
Trying to fill the spaces in between  
Arms entwined in a final pose  
Narrative drawing to a close  
Still remain the things we couldn't kill  
In your eyes I can see it still  
How we choose the framing of the scene  
Hate begins to spill across the screen  
Blinding light illuminates the scene  
Trying to fill the spaces in between
