It's just me against the world It's just me against the world, baby I got nothing to lose It's just me against the world Stuck in the game Me against the world, babyCan you picture my prophecy? Stress in the city, the cops on top of me The projects is full of bullets, the bodies is dropping There ain't no stopping me Constantly moving while making millions Witnessing killings, leaving dead bodies in abandoned buildings Can't reach the children cause they're illing Addicted to killing and the appeal from the cap peeling Without feeling, but will they last or be blasted? Hard headed bastard Maybe he'll listen in his casket -- the aftermath More bodies being buried I'm losing my homies in a hurry They're relocating to the cemetery Got me worried, stressing, my vision's blurried The question is will I live? No one in the world loves me I'm headed for danger, don't trust strangers Put one in the chamber whenever I'm feeling this anger Don't wanna make excuses, cause this is how it is, what's the use? Unless we're shooting no one notices the youth It's just me against the world baby Could somebody help me? I'm out here all by myself See ladies in stores, Baby Capone's, living wealthy Pictures of my birth on this Earth is what I'm dreaming Seeing Daddy's semen, full of crooked demons, already crazy and screaming I guess them nightmares as a child Had me scared, but left me prepared for a while Is there another route? For a crooked Outlaw Veteran, a villain, a young thug, who one day shall fallEveryday there's more death, and plus I'm dough-less, I'm seeing more reasons For me to proceed with thieving scheme on the scheming and leave they peeps grieving Cause ain't no bucks to stack up, my nuts is backed up I'm bout to act up, go load the Mac up, now watch me klacka Tried making fat cuts, but yo it ain't working And Evil's lurking, I can see him smirking When I gets to perving, so what? Go put some work in, and make my mail, making sales

Risking 25 with a 'L', but oh well With all this extra stressing The question I wonder is after death, after my last breath When will I finally get to rest through this suppression? They punish the people that's asking questions And those that possess, steal from the ones without possessions The message I stress: to make it stop study your lessons Don't settle for less - even the genius asks his questions Be grateful for blessings Don't ever change, keep your essence The power is in the people and politics we address Always do your best, don't let the pressure make you panic And when you get stranded, and things don't go the way you planned it Dreaming of riches, in a position of making a difference Politicians and hypocrites, they don't wanna listen If I'm insane, it's the fame made a brother change It wasn't nothing like the game It's just me against the worldThat's right I know it seem hard sometimes but uhh Remember one thing Through every dark night, there's a bright day after that So no matter how hard it get, stick your chest out Keep your head up, and handle it Song Discussions is protected by U.S. Patent 9401941.
