

Zero Tolerance

Impaled Nazarene

Why should we tolerate pansy faggot shit
Not even in an animal world, male sucks male dick
Crawl back under the rock you faggots came
from

This is the real fucking world, fuck your inferior rights!
Zero tolerance, no fucking rights
Monkey fucks monkey, punishment is A.I.D.S.
It is disgusting!
Listen you fucking homo boys,
your time has come

And if you are a lesbian, you still got a cunt to rape
It is unnatural!
