

# The Night You Murdered Love

## ABC

It's cold outside, the night love died  
On the night you murdered love  
It's cold outside, the night love died  
On the night you murdered love From an early age  
I was taught to respect  
That a broken heart, girl  
Ain't a thing you collect Close your eyes and say  
Nothing lasts a day  
You're wasting my time  
Yet I love to love you Close your eyes and say  
Honor love obey  
You're wasting my time  
Yet I love to love you  
It's cold outside, the night love died  
On the night you murdered love  
It's cold outside, the night love died  
On the night you murdered love January, February  
March and April, May  
June, July sees you go by  
I see love walk away Didn't use a blade  
A bullet or a gun  
You poisoned the moonlight  
When you put out the sun Close your eyes and say  
Nothing lasts a day  
You're wasting my time  
Yet I love to love you  
Close your eyes and say  
Honor love obey  
You're wasting my time  
Yes, I love to love you It's cold outside, the night love died  
On the night you murdered love  
It's cold outside, the night love died, baby  
On the night you murdered January, February  
March and April, May  
June, July sees you go by  
I see love walk away Love to love you Close your eyes and say  
Nothing lasts a day  
You're wasting my time  
Yet I love to love you It's cold outside, the night love died  
On the night you murdered love  
It's cold outside, the night love died  
On the night you murdered love It's cold outside, the night love died

On the night you murdered love  
Yes, you murdered love  
And you murdered love  
Yes, you murdered love  
And you murdered love  
Yes, you murdered love  
Yes, you murdered love  
Yes, you murdered love  
Yes, you murdered love
