

Did We Forget (feat. Amba Shepherd)

NERVO

It's getting late
No, we're not listing
Words aren't speaking true
It's coming down
It's coming down around us
Time stamps so still
These moments will reveal
We've gone too far
Did we forget who we are?
Did we forget who we are?
Did we forget who we are?
Did we forget, forget, forget who we are?
Did we forget who we are?
Did we forget
Did we forget
Did we forget, forget, forget
It doesn't help
The way you're talking
Way you hold yourself
No, you can't hide
You can't hide from no one
The reasons don't matter
Your dream here is shattered
We've gone too far
Did we forget who we are?
Did we forget who we are?
Did we forget who we are?
Did we forget?
Did we forget who we are?
Did we forget who we are?
Did we forget who we are?
Did we forget who we are?
Did we forget, forget, forget who we are?
