

Pas de Cheval

Panic! At the Disco

Oh, little did she know
 Couldn't let me go
Already a part of her So, often do I need
 People in between
That just can't get a hold of it So we'll just sing it for them
 Ahhh
Yeah, we'll just sing it for them (Just can't get a hold of it)
 So we'll just sing it for them
 Ahhh
 Yeah, we'll just sing it
It's the greatest thing that's yet to have happened
 Imagine knowing me
It's the greatest thing you'd ever imagine
 But you'll never know until you're there
 No, you'll never know until you're there
Slow, leave walking to the world Give your feet a chance
 They'll do all the thinking
 Toast, high until they find
 Less pathetic wine
 Until they get a better blend
And we'll just drink it for them Ahhh
Yeah we'll just drink it for them ('til they get a better blend)
 So we'll just drink it for them
 Ahhh
 Yeah we'll just drink it
It's the greatest thing that's yet to have happened
 Imagine knowing me
It's the greatest thing you'd ever imagine
 But you'll never know until you're there
 No, you'll never know until you're there
It's the greatest thing that's yet to have happened
 Imagine knowing me
It's the greatest thing you'd ever imagine
 But you'll never know until you're there
 No, you'll never know until you're there
 No, you'll never know until you're there
