## Panic! At the Disco

Oh, little did she know  
Couldn't let me go  
Already a part of her So, often do I need  
People in between  
That just can't get a hold of it So we'll just sing it for them  
Ahhh  
Yeah, we'll just sing it for them (Just can't get a hold of it)  
So we'll just sing it for them  
Ahhh  
Yeah, we'll just sing it  
It's the greatest thing that's yet to have happened  
Imagine knowing me  
It's the greatest thing you'd ever imagine  
But you'll never know until you're there  
No, you'll never know until you're there  
Slow, leave walking to the world Give your feet a chance  
They'll do all the thinking  
Toast, high until they find  
Less pathetic wine  
Until they get a better blend  
And we'll just drink it for them Ahhh  
Yeah we'll just drink it for them ('til they get a better blend)  
So we'll just drink it for them  
Ahhh  
Yeah we'll just drink it  
It's the greatest thing that's yet to have happened  
Imagine knowing me  
It's the greatest thing you'd ever imagine  
But you'll never know until you're there  
No, you'll never know until you're there  
It's the greatest thing that's yet to have happened  
Imagine knowing me  
It's the greatest thing you'd ever imagine  
But you'll never know until you're there  
No, you'll never know until you're there  
No, you'll never know until you're there
