

Lil Mama

Jain

Hey Lil Mama
Why don't you come around
You're feeling loss
You're feeling alone
You felling away far from your home. Hey Lil Mama
Why don't you come around
You're feeling loss
You're feeling alone
You felling away far from your home.
See what the world is giving
His every thing you need
Some don't know what you love is
Look around you and you will see hey
Mother are loving sister are sharing
You should forget all that thing your talking
You got your soul you got your brain see what you can do with your hands Hoho now you feel,
time to feel good about you, to take a good break
and ohoh now you feel peace inside your mind got' to leave Hey Lil Mama
Why don't you come around
You're feeling loss
You're feeling alone
You felling away far from your home.
Hey Lil Mama
Why don't you come around
You're feeling loss
You're feeling alone
You felling away far from your home. When the sun is going down
And there's silence in your head
Don't you worry don't you run
There's a place to lay your head
Don't you know how to stand up
And make this world your own,
If you feel like giving up,
Ill make you feel at home. Hoho now you feel, time to feel good about you, to take a good break
and ohoh now you feel peace inside your mind got' to leave
Hey Lil Mama
Why don't you come around
You're feeling loss
You're feeling alone
You felling away far from your home. Hey Lil Mama
Why don't you come around
You're feeling loss

You're feeling alone
You felling away far from your home.
