

# Gingerbread Man

Melanie Martinez

I'm frosting  
I don't need a man to make my life sweet  
Prince Charming  
Just isn't the one that I think I need  
You're thirsty  
You think I give out all my shit for free  
I'm bursting  
Out laughing at idiocy I need a gingerbread man, the one I'll feed  
The gingerbread man, the one I'll eat  
One who's always crazy  
Never calls me baby  
That's the one that I want  
All you boys are not him  
(Him, him)  
Can't you see?  
I only want the ones who never see me  
But I'm happy  
I love playing these games until my heart bleeds  
It bleeds jelly  
'Cause you don't want someone to eat your cookie  
Can someone please  
Find him for me, find him for me? I need a gingerbread man, the one I'll feed  
The gingerbread man, the one I'll eat  
One who's always crazy  
Never calls me baby  
That's the one that I want  
And all you boys are not him  
(Him, him)  
I'm the icing covering his body  
I wanna hold him so close, so tightly  
Baby, how do I say this politely?  
Love me hard and don't be nice, please  
I wanna feel your crumbs on my body  
I wanna break you in pieces like me  
Baby don't be so scared of biting  
Wanna eat each other into nothing I need a gingerbread man, the one I'll feed  
The gingerbread man, the one I'll eat  
One who's always crazy  
Never calls me baby  
That's the one that I want  
And all you boys are not him  
(Him, him)
