## **Happy Pills**

## **Norah Jones**

Trying to pick up the paceTrying to make it so I never see your face again

Time to throw this away

Wanna make sure that you never waste my time again How does it feel?How does it feel to be you right now, dear?

You broke this apart

So pick your piece

And go away from here

Please just let me go now

Please just let me go

Would you please just let me go now?

Please just let me goI'm gonna get you

I gotta get you

I'm gonna get you out of my headGET OUT!

I'm gonna get you

I gotta get youI'm gonna get you out of my head

**GET OUT!** 

Never said we'd be friends

Trying to keep myself away from you

Cause you're bad, bad news

With you gone

I'm alive

Makes me feel like I took happy pills

And time stands still

How does it feel?

How does it feel to be the one shut out?

You broke all the rules

I won't be a fool for you, no more, my dear

Please just let me go now, Please just let me go

Would you please just let me go now?

Please just let me go

I'm gonna get you

I gotta get you

I'm gonna get you out of my head

**GET OUT!** 

I'm gonna get you

I gotta get you

I'm gonna get you out of my head

**GET OUT!**
