

# Good Times

## Chic

Good times, these are the good times  
Leave your cares behind, these are the good times  
Good times, these are the good times  
Our new state of mind, these are the good times Happy days are here again  
The time is right for makin' friends  
Let's get together, how 'bout a quarter to ten  
Come tomorrow, let's all do it again Boys will be boys, better let them have their toys  
Girls will be girls, cute pony tails and curls  
Must put an end to this stress and strife  
I think I want to live the sporting life Good times, these are the good times  
Leave your cares behind, these are the good times  
Good times, these are the good times  
Our new state of mind, these are the good times  
A rumor has it that it's getting late  
Time marches on, just can't wait  
The clock keeps turning, why hesitate  
You silly fool, you can't change your fate Let's cut the rug, little jive and jitterbug  
We want the best, we won't settle for less  
Don't be a drag, participate  
Clams on the half shell and roller skates, roller skates Good times, these are the good times  
Leave your cares behind, these are the good times  
Good times, these are the good times  
Our new state of mind, these are the good times A rumor has it that it's getting late  
Time marches on, just can't wait  
The clock keeps turning, why hesitate  
You silly fool, you can't change your fate  
Let's cut the rug, little jive and jitterbug  
We want the best, we won't settle for less  
Don't be a drag, participate  
Clams on the half shell and roller skates, roller skates Good times, these are the good times  
Leave your cares behind, these are the good times  
Good times, these are the good times  
Our new state of mind, these are the good times Good times, these are the good times  
Leave your cares behind, these are the good times  
Good times, these are the good times  
Our new state of mind, these are the good times Good times, these are the good times  
Leave your cares behind, these are the good times  
Good times, these are the good times  
Our new state of mind, these are the good times
