

The Way You Make Me Feel (feat. Bryan Adams)

Ronan Keating

Couldn't feel much better
Than the way I feel tonight
Feel like I could live forever
Feel like I could fly
'Cause when I thought I'd got it wrong, yeah
You somehow make things right That's the way you make me feel
Better than I've ever known it
Better than it's ever been
I can't seem to control it, no It's the way you make me feel
Like the sun comin' up in the mornin'
Like holdin' the world in your hands
In a way I could never imagine, yeah
It's the way you make me feel
Couldn't feel much better
Than when I'm here with you
You make everything seem so easy
I'm telling you the truth
You never try to please me
But somehow, you always do That's the way you make me feel
Better than I've ever known it
Better than it's ever been
I can't seem to control it, no The way you make me feel
Like the sun comin' up in the mornin'
Like holdin' the world in your hands
In a way I could never imagine, yeah
It's the way you make me feel It's the way you make me feel, yeah
It's the way you make me feel
The simple things you do to me
The simple things you say
Sometimes can't believe that it's for real Yeah, that's the way you make me feel
It's better than I've ever known it
Better than it's ever been
I can't seem to control it, no It's the way you make me feel
Like the sun comin' up in the mornin'
Like holdin' the world in your hands
In a way I could never imagine, yeah
It's the way you make me feel It's the way you make me feel
It's the way you make me feel
