Even Now

Barry Manilow

Even now When there's someone else who cares When there's someone home who's waiting just for me Even now I think about you as I'm climbin' up the stairs and I wonder what to do so she won't see... That even now... When I know it wasn't right and I found a better life than what we had Even now I wake up cryin' in the middle of the night and I can't believe it still could hurt so bad... Even now When I have come so far I wonder where you are I wonder why it's still so hard without you Even now When I come shinin' through I swear I think of you and how I wish you knew... Even now... Even now... When I never hear your name and the world has changed so much since you've been goneEven now I still remember and the feeling's still the same and this pain inside of me goes on and on... Even now... Even now... When I have come so far I wonder where you are... I wonder why it's still so hard without you Even now When I come shinin' through I swear I think of you and god I wish you knew... Somehow... Even now...
