## Fallen

## **Imagine Dragons**

Run for cover My sense of fear is running thin Undercover Just like a candle in the windTell everybody, tell everybody Brothers, sisters, the ending is coming Ohhhhh We are fallen, we are fallen Ohhhhh We are fallen, we are fallen Now we're just gonna ride it out Every morning I'm staring shadows in the eye Oh, good morning Will you just wait until I die?Tell everybody, tell everybody Brothers, sisters, the ending is coming Ohhhhh We are fallen, we are fallen Ohhhhh We are fallen, we are fallen Now we're just gonna ride it out Tell everybody, tell everybody Tell everybody, we are fallen Ohhhhh We are fallen, we are fallen Ohhhhh We are fallen, we are fallen Now we're just gonna ride it out I just want to take it in Even when your fire runs out Will you start it up again? We are fallen Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
