

# Sleepwalker (feat. Joni Fatora)

## Illenium

Sleepwalker, where do you go?  
In the night  
I find you in my dreams  
I find you in my dreams  
Sleepwalker, visions always  
Just repeat  
You're always in my dreams  
You're always in my dreams Did you come to make it right  
Did you come to say goodbye  
Did you come to make it right  
Did you come to say goodbye  
Did you come to say goodbye  
Did you come to say goodbye  
Sleepwalker, sleepwalker  
Where did you go  
Now I'm sleepwalking again  
Now I'm sleepwalking again  
Now I'm sleepwalking again  
Now I'm sleepwalking again  
Sleepwalker, sleepwalker  
Sleepwalker, sleepwalker Sleepwalker, sleepwalker  
Sleepwalker, sleepwalker  
Now I'm sleepwalking again  
Now I'm sleepwalking again  
Sleepwalker, sleepwalker  
Sleepwalker  
Where did you go  
Now I'm sleepwalking again  
Now I'm sleepwalking again  
Now I'm sleepwalking again  
Now I'm sleepwalking again  
Sleepwalker, sleepwalker  
Sleepwalker, sleepwalker
