

# Coming Home Now

## Boyzone

I have seen too many things  
That'll make you want to sing, sing, sing  
But that ain't what's been on my mind (I'm coming home tonight) Oh baby, I've been up and  
down this road  
Or so you have been told  
But you won't be alone tonight (I'm coming home tonight) I promise baby, would I lie to you?  
I'm just being, honest baby  
I want to fall in love tonight  
I'm gonna row, row, row this boat  
All across the seven seas just to see your face  
And you won't be alone no more  
Cause girl I'm coming home, home, home (I'm coming home tonight)  
I know you know ain't nobody in this world that can take your place  
And I won't leave you alone no more  
Cause girl I'm coming home, home, home (I'm coming home tonight) I've been waiting for too  
long  
And this feeling has got too strong  
Baby, I've waited all my life (I'm coming home tonight)  
I can tell you what I've seen  
But that don't mean a thing to me  
You got me on your own tonight (I'm coming home tonight) I promise baby, would I lie to you?  
I'm just being, honest baby  
I want to fall in love tonight  
I'm gonna row, row, row this boat  
All across the seven seas just to see your face  
And you won't be alone no more  
Cause girl I'm coming home, home, home (I'm coming home tonight)  
I know you know ain't nobody in this world that can take your place  
And I won't leave you alone no more  
Cause girl I'm coming home, home, home (I'm coming home tonight)
