

Only Love

Ben Howard

Darling you're with me, always around me
Only love, only love
Darling I feel you, under my body
Only love, only love
Give me shelter, or show me heart
Come on love, come on love
Watch me fall apart, watch me fall apart And I'll be yours to keep
Wind in the shadows, whale song in the deep
Wind in the shadows, whale song in the deep Darling you're with me, always around me
Only love, only love
Darling I feel you, under my body
Only love, only love
Give me shelter, or show me heart
Come on love, come on love
Watch me fall apart, watch me fall apart And I'll be yours to keep
Wind in the shadows, whale song in the deep
Wind in the shadows, whale song in the deep Darling you're with me, always around me Only
love, only love
Darling I feel you, under my body
Only love, only love
Give me shelter, or show me heart
Come on love, come on love
Watch me fall apart, watch me fall apart Watch me fall apart Watch me fall
apart
Only love, love, love
Only love, love, love
Only love, love, love
Girl show me heart
Come on love, love, love
Come on love, love, love
Come on love, love, love
Watch me fall apart
Come on love, love, love
Come on love, love, love
Come on love, love, love
Girl show me heart
Show me love, love, love
Show me love, love, love
Show me love, love, love
Watch me fall apart
Watch me fall apart
Darling I feel you under my body

Darling you're with me forever and always
Give me shelter, or show me heart
And watch me fall apart
Watch me fall apart
