

# Only Love

Ben Howard

Darling you're with me, always around me  
Only love, only love  
Darling I feel you, under my body  
Only love, only love  
Give me shelter, or show me heart  
Come on love, come on love  
Watch me fall apart, watch me fall apart And I'll be yours to keep  
Wind in the shadows, whale song in the deep  
Wind in the shadows, whale song in the deep Darling you're with me, always around me  
Only love, only love  
Darling I feel you, under my body  
Only love, only love  
Give me shelter, or show me heart  
Come on love, come on love  
Watch me fall apart, watch me fall apart And I'll be yours to keep  
Wind in the shadows, whale song in the deep  
Wind in the shadows, whale song in the deep Darling you're with me, always around me Only  
love, only love  
Darling I feel you, under my body  
Only love, only love  
Give me shelter, or show me heart  
Come on love, come on love  
Watch me fall apart, watch me fall apart Watch me fall apart Watch me fall  
apart  
Only love, love, love  
Only love, love, love  
Only love, love, love  
Girl show me heart  
Come on love, love, love  
Come on love, love, love  
Come on love, love, love  
Watch me fall apart  
Come on love, love, love  
Come on love, love, love  
Come on love, love, love  
Girl show me heart  
Show me love, love, love  
Show me love, love, love  
Show me love, love, love  
Watch me fall apart  
Watch me fall apart  
Darling I feel you under my body

Darling you're with me forever and always  
Give me shelter, or show me heart  
And watch me fall apart  
Watch me fall apart
