

# Jesus Reigns (feat. Tasha Cobbs)

Vashawn Mitchell

JESUS REIGNS (Vashawn Mitchell ft Tasha Cobbs) Jesus Reigns, Jesus Reigns Sons and

daughters gather now  
All behold the lamb of God  
Born to take our sins away  
Conquered death, hell and the grave  
Let the whole world see  
There's no greater name  
Let the whole earth shout it out  
Oh oh oh oh  
Jesus Reigns (2×)  
Oh oh oh oh  
Jesus Reigns  
You are Lord Forever Innocent and yet Crucified  
With my freedom on your mind  
Yes the stone is rolled away  
With all power You've been raised  
Let the whole world see  
There's no greater name  
Let the whole earth about it out The wind and the seas obey  
You reign  
And all of creation will say  
You reign  
And we'll make one shout  
Till we shake the foundation  
Bringing God from heaven down  
Let the whole world see  
There's no greater name  
Let the whole earth shout it out
