

# Fuego

Eleni Foureira

Take a dive, into my eyes  
Yeah the eyes of lioness  
Feel the power, they ain't lying A little look, a little touch  
You know the power of silence  
Yeah, keep it up, keep it up I was looking for some high, high highs, yeah  
Till I got a doze of you  
You got me pelican fly, fly, flyin' 'Cause I'm way up and I ain't comin' down  
Keep taking me higher  
Ah yeah ah yeah ah yeah  
Yeah ah yeah ah yeah  
'Cause I'm burning up and I ain't coolin' down  
Yeah I got the the fire  
Ah yeah ah yeah ah yeah  
Yeah ah yeah ah yeah Fuego (Hey)  
Fuego (Hey) Ah yeah ah yeah ah yeah  
Yeah ah yeah ah yeah  
Fuego Take me in, take a breath  
Ain't no hidden agenda  
What you see is what you get, yeah I was looking for some high, high highs, yeah  
Till I got a doze of you  
You got me pelican fly, fly, flyin'  
'Cause I'm way up and I ain't comin' down  
Keep taking me higher  
Ah yeah ah yeah ah yeah  
Yeah ah yeah ah yeah 'Cause I'm burning up and I ain't coolin' down  
Yeah I got the the fire  
Ah yeah ah yeah ah yeah  
Yeah ah yeah ah yeah Fuego (Hey)  
Fuego (Hey) Ah yeah ah yeah ah yeah  
Yeah ah yeah ah yeah  
Fuego Oh, your love is like wild, wild fire  
You got me pelican fly, fly, flyin' 'Cause I'm way up and I ain't comin' down  
Keep taking me higher  
Ah yeah ah yeah ah yeah  
Yeah ah yeah ah yeah 'Cause I'm burning up and I ain't coolin' down  
Yeah I got the the fire  
Ah yeah ah yeah ah yeah  
Yeah ah yeah ah yeah Fuego (Hey)  
Fuego (Hey)  
Ah yeah ah yeah ah yeah  
Yeah ah yeah ah yeah
