

# Kansas City

## Muddy Waters

Going to Kansas City, Kansas City here I come, ah huh  
Going to Kansas City baby, Kansas City here I come, ah huh  
They got some crazy little men there, I'm gonna get me one I'm gonna be standin' on the corner,  
12th Street and Vine, yes I am  
I'm gonna be standin' on the corner, baby, 12th Street and Vine, yes I am  
Oh, with my Kansas City baby and a mug of Kansas City wine Well, I might take a plane, I  
might take a train  
But if I have to walk, yeah, I'm goin' just the same I'm going to Kansas City, Kansas City here I  
come, uh huh  
They got some crazy little men there, I'm gonna get me one Well, I might take a plane, I might  
take a train  
But if I have to walk, yeah, I'm goin' just the same  
I'm going to Kansas City, Kansas City here I come, uh huh  
They got some crazy little men there, I'm gonna get me one  
They got some crazy little men there, I'm gonna get me one
