

Drinking from the Bottle (feat. Tinie Tempah)

Calvin Harris

I, I, I, I can pay for everything that's on you
So everything is on me
Got them girls gone Cindy Lauper, Gaga and a little Blondie
If you ain't drunk, then you're in the wrong club
Don't feel sexy, you're on the wrong beach
Tell the bar that we don't want no glass
Just bottles and I'm buying everybody one each
Yes, so bring the Veuve Clicquot
D about to hit the big 3-0
Party like it's carnival in Rio
Life's too short, Danny DeVito
Yo, we live, we die, we give, we try, we kiss, we fight
All so we can have a good time
I'm in here busy looking for the next top model
Who's wearing something new and something old
And something borrowed
I know this crazy life can be a bitter pill to swallow
So forget about tomorrow
Tonight, we're drinking from the bottle
We're drinking from the bottle
Yeah I was done with this thing getting it wrong
Then everything is alright
Got the girls going Heidi Klum, the Kardashians, Rihanna, all types
If you ain't lean, then you're in the wrong scene
If you ain't high, then you're not on my vibe
Tell the bartender we don't need to sparklers
And nothing, keep the bottles coming all night
Yes, so bring the Veuve Clicquot
D about to hit the big 3-0
Party like it's carnival in Rio
Life's too short, Danny DeVito
Yo, we live, we die, we give, we try, we kiss, we fight
All so we can have a good time
I'm in here busy looking for the next top model
Who's wearing something new and something old
And something borrowed
I know this crazy life can be a bitter pill to swallow
So forget about tomorrow
Tonight, we're drinking from the bottle
We're drinking from the bottle
I'm in here busy looking for the next top model
I'm in here busy looking for the next top model
I'm in here busy looking for the next top model
I'm in here busy looking for the next top model

The next top model
The next top model
The next top model
Tonight, we're drinking from the bottle
We're drinking from the bottle
