

# She's Lost Control (12-Inch Version)

## Joy Division

Confusion in her eyes that says it all  
She's lost control  
And she's clinging to the nearest passer by  
She's lost control  
And she gave away the secrets of her past  
And said, "I've lost control again"  
And a voice that told her when and where to act  
She said, "I've lost control again"  
And she turned around and me and took me by the hand  
And said, "I've lost control again"  
How I'll never know just why or understand  
She said, "I've lost control again"  
And she screamed out kicking on her side  
And said, "I've lost control again"  
And seized up on the floor I thought she'd die  
She said, "I've lost control "  
She's lost control again  
She's lost control  
She's lost control again  
She's lost control  
And I had to phone her friend to state my case  
And say, "She's lost control again"  
And she showed up all the errors and mistakes  
And said, "I've lost control again"  
And she expressed herself in many different ways  
Until she lost control again  
And walked upon the edge of no escape  
And laughed, "I've lost control"  
She's lost control again  
She's lost control  
She's lost control again  
She's lost control I could live a little better with the myths and the lies  
When the darkness broke in, I just broke down and cried  
I could live a little in a wider line  
When the change is gone, when the urge is gone  
To lose control  
When here we come
