

# Don't Dream It's Over

Paul Young

There is freedom within  
There is freedom without  
Try to catch the deluge in a paper cup  
There's a battle ahead  
Many battles are lost  
But you never see the end of the road while you're travelling with me  
Hey now, hey now  
Don't dream it's over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
But you know they won't win  
Now I'm towing my car  
There's a hole in the roof  
My possessions are causing me suspicion but there's no proof  
In the paper today, tales of war and of waste  
But you turn right over the TV page  
Hey now, hey now  
Don't dream it's over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
But you know they won't win  
Now I'm walking again  
To the beat of a drum  
And I'm counting the steps to the door of your heart  
Only shadows appear  
Barely clearing the roof  
Get to know the feeling of liberation and release  
Hey now, hey now  
Don't dream it's over (it's over)  
Hey now, hey now  
When the world comes in (comes in)  
They come, they come  
To build a wall between us  
But you know they won't win  
Hey now, hey now  
Don't dream it's over (it's over)  
Hey now, hey now  
When the world comes in (comes in)  
They come, they come  
To build a wall between us  
But you know they won't win  
Oh no, no-ooo

Don't let them win  
O-oh, no  
When the world comes in  
Hey now, hey now  
Ooh, to build a wall between us  
Hey now, hey now  
No, no, don't let them win  
Hey now, hey now  
Oh, no no no  
Hey now, hey now  
To build a wall between us  
Hey now, hey now
