

# Still Alive (Paul van Dyk Mix)

[Lisa Miskovsky](#)

You have changed  
I have changed  
Just like you  
Just like you For how long  
For how long  
Must I wait  
I know there's something wrong Your concrete heart isn't beating  
And you tried to  
Make it come alive No shadows  
Just red lights  
Now I'm here. to  
You have changed  
I have changed  
Just like you  
Just like you For how long  
For how long  
Must I wait  
I know there's something wrong Your concrete heart isn't beating  
And you tried to  
Make it come alive No shadows  
Just red lights  
Now I'm here Please, come alive  
You have changed  
I have changed  
Just like you  
Just like you For how long  
For how long  
Must I wait  
I know there's something wrong Your concrete heart isn't beating  
And you tried to  
Make it come alive No shadows  
Just red lights  
Now I'm here. to rescue you Oh I'm still alive  
I'm still alive and  
I can't apologise, no Oh I'm still alive  
I'm still alive and  
I can't apologise, no So silent  
No violence  
But inside my head  
So loud and clear You're screaming  
You're screaming  
Cover up with a smile I've learned to fear Just sunshine

And blue skies  
Is this all we get, for living here? Come fire  
Come fire  
Let it burn and love come racing through Oh I'm still alive  
I'm still alive and  
I can't apologise, no Oh I'm still alive  
I'm still alive and  
I can't apologise, no I've learn to lose  
I've learn to win  
Turn my face against the wind I will move fast  
I will move slow  
Take me where I have to go Oh I'm still alive  
I'm still alive and  
I can't apologise, no (I'm still alive) Oh I'm still alive  
I'm still alive and  
I can't apologise, no Oh I'm still alive  
I'm still alive...
