## Angel

## **Simply Red**

Gotta find me an angel To fly away with me Gotta find me an angel Who set me free My heart is without a home I don't want to be alone Gotta find me an angel In my lifeToo long have I loved So unattached within So much that I learn That I need somebody so Still I'll just go on Hoping that I'll find someone Gotta find me an angel in my life I know there must be someone, someone for me I've lived too long without the love of someone And there's no misery, like the misery I feel in meGotta find me an angel in my life She'll be there, now don't you worry Keep looking now just keep looking
