

# A Boy Like Me

Patrick Wolf

Na na na nana nanana na na na nana na. (x2)GO!A boy like me is told he is both nine and ninety.

And a boy like me should shut those books join the army.

And. a boy like me would never be seen fighting for peace

I want total chaos and a holiday home in the east.

A boy like me should know much better,

than to raise his flag in stormy weather.

But i just cant get enough electric shocks.

I want to buy a lighthouse, and ride a giraffe on the rocks.Na na na nana nanana na na na nana na. (x2). (I don't give up, x2)Two dogs, two cats, a big kitchen and a welcome mat.

(I want) two dogs, two cats, a big kitchen and a welcome mat.

(I want) two dogs, two cats, a big kitchen and a welcome mat.

I want all this, and all shall have. (All you shall have).

(No, I dont give up)

A boy like me don't ever give up, give up his dream.

No.

A boy like me don't ever give up, give up his dream.

No.

A boy like me, don't ever give up, give up his dream.

No.

A boy like me, don't ever give up, give up his dream.

No.
