Thinking Out Loud

Ed Sheeran

When your legs don't work like they used to before And I can't sweep you off of your feet

Will your mouth still remember the taste of my love?

Will your eyes still smile from your cheeks? And, darling, I will be loving you till we're 70

And, baby, my heart could still fall as hard at 23

And I'm thinking 'bout how people fall in love in mysterious ways

Maybe just the touch of a hand

Well, me, I fall in love with you every single day

And I just wanna tell you I amSo, honey, now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

Maybe we found love right where we are

When my hair's all but gone, and my memory fades

And the crowds don't remember my name

When my hands don't play the strings the same way

I know you will still love me the same Cause, honey, your soul could never grow old, it's evergreen

And, baby, your smile's forever in my mind and memory

I'm thinking 'bout how people fall in love in mysterious ways

And maybe it's all part of a plan

Well, I'll just keep on making the same mistakes

Hoping that you'll understand That, baby, now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

And maybe we found love right where we areLa la la, la la la, la la la, la la la loud

So, baby, now

Take me into your loving arms

Kiss me under the light of a thousand stars

Oh, darling, place your head on my beating heart

I'm thinking out loud

Then maybe we found love right where we are

Oh, baby, we found love right where we are

And we found love right where we are
