

Goodbye, Dear Friend

Deer Tick

Some roads that you take
Some bonds will choose to break
I swore I'd no long be the pallbearer
But I carried you to bed
So you could rest your head
You were taking off a load, heavy drinking
The world it carries on
Your memories and song
And your pictures on my wall, are not forgotten
There was hymns that came from mouths
That turned crosses upside down
But it came through their teeth with great ease
And all are bobbing heads in sync
And all have got a lot on their minds to think about
But you carry on in pictures in song
And the unmade be you slept in
Where I laid you down to rest one last time
Goodbye, dear friend, Goodbye, dear friend
Some stories break your heart
And some with such applaud
Buried deep inside, where it's ok to cry
Some boys won't shed a tear
Oh, but I tell it like this here
It can break down and get me where it hurts the most
And all are bobbing heads in sync
And all have got a lot on their minds to think about
But you carry on in pictures in song
And the unmade be you slept in
Where I laid you down to rest one last time
Goodbye, dear friend, Goodbye, dear friend
But you carry on in pictures in song
And the unmade be you slept in
Where I laid you down to rest one last time
Goodbye, dear friend, Goodbye, dear friend
