

Boombox (Bassnectar Remix)

Bassnectar

Blas-blas-blas-blas-blast out Blast out, speakers, I am the seeker

Blast out, speakers, I am the seeker

Blast out, speakers, I am the seeker

(Bang this future world) Best kept secret

Spit heat rocks on the track-track

Spit heat rocks on the track, or a boombox

Spit heat rocks on the track, or a boombox,

seat hot, cuz we won't try to be where sheet knock

Spit heat rocks on track, track-track (Boomboxx)

Spit heat rocks on the track, or the boombox (boombox)

Seat hot, blablblast out

Blast out speakers, I am the seeker.

Bang this future world, best kept secret

Boom, boom, boom, boombox.

Boom boom.

Seat hot, blablblast out.

There's nothin in life that I can't achieve, cuz there's nothin in life that I can't achieve.

Cuz there's nothin in life that blas-blast out

Blast out speakers, I am the seeker. Bang this future world, best kept secret

Blablblast out
