

# All Around the World

## Mindless Behavior

MB!  
All around the w-w-world!  
Beautiful girl, girl, girl  
Uh girl Come through the gate in this place lookin' for one  
Where is that one girl?  
Cause everywhere that I go it's like I see you around  
Am I chasing you or are you chasing me?  
I've looked everywhere, don't know where you could be  
But if you come with me now  
We'll make our way through the crowd  
And when they see us we'll be shutting it down  
I'm going all around the world  
Put your hands in the sky  
Wave 'em side to side  
I'm lookin' for you all around the world  
Girl wherever your heart is  
I gotta find it  
Oh oh oh, oh oh oh oh oh oh  
Wherever your heart is  
I gotta find it!  
Oh oh oh, oh oh oh oh oh oh  
I'm lookin' for you all around r-r-round the world  
I don't know why you so shy, when your swag is so fly  
Pretty brown eyed, girl  
There ain't a star in the whole galaxy  
That can light up the night like you do it for me  
So if you wanna rock on, then baby stand up (stand up)  
Until the sun hits the ground, we on the dance floor But if you come with me now  
We'll make our way through the crowd  
And when they see us we'll be shutting it down  
I'm going all around the world  
Put your hands in the sky  
Wave 'em side to side  
I'm lookin' for you all around the world  
Girl wherever your heart is  
I gotta find it  
Oh oh oh, oh oh oh oh oh oh  
Wherever your heart is  
I gotta find it!  
Oh oh oh, oh oh oh oh oh oh  
I'm lookin' for you all around r-r-round the world Ba-ba-baby come closer  
D-don't make me wait much longer

Don't you wanna be right here next to me, yeah  
I wanna feel your heartbeat tonight  
So if you wanna rock on, then baby stand up (stand up)  
Until the sun hits the ground, we on the dance floorBut if you come with me now  
We'll make our way through the crowd  
And when they see us we'll be shutting it down  
I'm going all around the world  
Put your hands in the sky  
Wave 'em side to side  
I'm lookin' for you all around the world  
Girl wherever your heart is  
I gotta find it
