

Eyes Open

Taylor Swift

Everybody's waitin'
Everybody's watchin'
Even when you're sleeping
Keep your ey-eyes open The tricky thing
Is yesterday we were just children
Playing soldiers
Just pretending
Dreaming dreams with happy endings
In backyards, winning battles with our wooden swords
But now we've stepped into a cruel world
Where everybody stands and keeps score
Keep your eyes open Everybody's waitin' for you to breakdown
Everybody's watchin' to see the fallout
Even when you're sleeping, sleep-i-ing
Keep your ey-eyes open
Keep your ey-eyes open
Keep your ey-eyes open So here you are, two steps ahead and stayin' on guard
Every lesson forms a new scar
They never thought you'd make it this far
But turn around (turn around), oh they've surrounded you
It's a showdown (showdown) and nobody comes to save you now
But you've got something they don't
Yeah, you've got something they don't
You've just gotta keep your eyes open
Everybody's waitin' for you to breakdown
Everybody's watchin' to see the fallout
Even when you're sleeping, sleep-i-ing
Keep your ey-eyes open
Keep your ey-eyes open
Keep your ey-eyes Keep your feet ready
Heartbeat steady
Keep your eyes open
Keep your aim locked
The night goes dark
Keep your eyes open (Keep your eyes open) (Keep your eyes open)
(Keep your eyes open)
(Keep your eyes open)
Everybody's waitin' for you to breakdown
Everybody's watchin' to see the fallout
Even when you're sleeping, sleep-i-ng
Keep your ey-eyes open
Keep your ey-eyes open

Keep your ey-eyes open

(Your ey-eyes open)

Keep your ey-eyes open
