

# I'm Not Alright (EDX's Dubai Skyline Remix)

## Loud Luxury & Bryce Vine

You like to drink and to smoke  
To take away the pain  
And I don't remember  
All of my mistakes  
And every high got low  
With no one to blame  
You're not alright  
I'm not alrightXO  
When I'm high in the shade  
And I'm feeling a way  
Baby hello  
I just wanted to see if your plans ever change  
You're my XO  
Gotta fight for the love  
What a rush and I don't want to let go  
So don't let me go  
Got no patience  
Conversations driving you up the wall  
I been perfect  
You're a goddess  
No sarcasm at all  
You say you're sorry  
But don't know what you're sorry for  
No point in keeping scoreYou like to drink and to smoke  
To take away the pain  
And I don't remember  
All of my mistakes  
And every high got low  
With no one to blame  
You're not alright  
I'm not alright  
You're not alright  
I'm not alrightI like to drink and to smoke  
To take away the pain  
And you don't remember  
All of your mistakes  
And when hearts aren't broke  
They're out of place  
You're not alright  
I'm not alrightLet's roll  
You and I don't belong in a place like this  
Baby let's roll

We don't need to believe everything they think  
When its all so  
Heading down that road  
You don't got to go so low  
No, don't let me goGot no patience  
Conversations driving you up the wall  
I been perfect  
You're a goddess  
No sarcasm at all  
You say you're sorry  
But don't know what you're sorry for  
No point in keeping scoreYou like to drink and to smoke  
To take away the pain  
And I don't remember  
All of my mistakes  
And every high got low  
With no one to blame  
You're not alright  
I'm not alrightWhooYou're not alright  
I'm not alrightI like to drink and to smoke  
To take away the pain  
And you don't remember  
All of your mistakes  
And when hearts aren't broke  
They're out of place  
You're not alright  
I'm not alright
