

# Either Nelson

## Guided By Voices

I challenge you to rock  
I challenge you to proper drinking  
My challenge will entice  
A readjustment of your thinking  
Either one  
Half or full  
Either brother  
Rock or roll  
Your pallor is not shock  
Each hour is your father sinking  
And coming home from shop  
Whilst wrestling with the perfect stinking  
Either one  
Half or full  
Either brother  
Rock or roll
