

# One In Ten (feat. UB40)

## 808 State

I am the one in ten-a number on a list  
I am the one in ten-even though I don't exist  
Nobody knows me but I'm always there  
Statistical reminder of a world that doesn't care.I am the one in ten-a number on a list  
I am the one in ten-even though I don't exist  
Nobody knows me...
