Jar of Hearts

Christina Perri

I know I can't take one more step towards you 'Cause all that's waiting is regret Don't you know I'm not your ghost anymore You lost the love I loved the mostI learned to live half alive And now you want me one more timeAnd who do you think you are? Runnin' 'round leaving scars Collecting your jar of hearts And tearing love apart You're gonna catch a cold From the ice inside your soul So don't come back for me Who do you think you are? I hear you're asking all around If I am anywhere to be found But I have grown too strong To ever fall back in your armsAnd I've learned to live half alive And now you want me one more timeAnd who do you think you are? Runnin' 'round leaving scars Collecting your jar of hearts And tearing love apart You're gonna catch a cold From the ice inside your soul So don't come back for me Who do you think you are? And it took so long just to feel alright Remember how to put back the light in my eyes I wish I had missed the first time that we kissed 'Cause you broke all your promises And now you're back You don't get to get me backAnd who do you think you are? Runnin' 'round leaving scars Collecting your jar of hearts And tearing love apart You're gonna catch a cold From the ice inside your soul So don't come back for me Don't come back at allAnd who do you think you are? Runnin' 'round leaving scars Collecting your jar of hearts Tearing love apart You're gonna catch a cold From the ice inside your soul

Don't come back for me Don't come back at all Who do you think you are? Who do you think you are? Who do you think you are? Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
