

Storm

Lifehouse

How long have I been in this storm?
So overwhelmed by the ocean's shapeless form
Water's getting harder to tread
With these waves crashing over my head
If I could just see you
Everything would be alright
If I'd see you
This darkness will turn to light
And I will walk on water
And you will catch me if I fall
And I will get lost into your eyes
I know everything will be alright
I know everything is alright
I know you didn't bring me out here to drown
So why am I ten feet under and upside down?
Barely surviving has become my purpose
Cause I'm so used to living underneath the surface
If I could just see you
Everything would be alright
If I'd see you
This darkness will turn to light
And I will walk on water
And you will catch me if I fall
And I will get lost into your eyes
I know everything will be alright
And I will walk on water
And you will catch me if I fall
And I will get lost into your eyes
I know everything will be alright
I know everything is alright
Everything's alright
Everything's alright
