

This Is Where I Belong

[Bryan Adams](#)

I hear the wind across the plain
A sound so strong
That calls my name
It's wild like the river It's warm like the sun
Ya it's here
This is where I belong
Under the starry skies
Where eagles have flown This place is paradise
It's the place I call home
The moon on the mountains
The whisper through the trees
The waves on the water
Let nothing come between this and me
Cuz everything I want
Is everything that's here
And when we're all together
There's nothing to fear
And wherever I wander
The one thing I've learned
It's to here
I will always... always return
