

Scandalous

Prince

Come closer, feel what you've been dyin' for
Don't be afraid, baby, touch it and explode
Understand, understand that I love you
Oh, but more than that I want you Everybody always told me
Good things come to those who wait
But I've got so much on the menu
I just can't, I just can't, I can't wait
Baby, I can't wait, baby I can wrap my legs around you, girl
'Cuz sugar, you know you're just the kind of lover
That I've been looking for
Tonight why don't we skip all the for play, mamma?
Just get down here on the floor
Scandalous, I'm talkin' about you and me
Marvelous, baby, baby, can't you see?
Anything you've ever dreamed of, I'm willing to be Tonight it's gonna be scandalous
'Cuz tonight I'm gonna be your fantasy
My dearest, oh dearest Whisper, whisper a question
With my body, body, I'll scream a reply
Anything's acceptable, just ask me and I'll try it
To hell with hesitation, to hell with the reasons why Scandalous, I'm talkin' about you and me
Marvelous, baby, baby, can't you see?
Anything you've ever dreamed of, I'm willing to be To night it's gonna be scandalous
'Cuz tonight I'm gonna be your fantasy
Baby, baby, baby
Oh girl, the things you make me do
Genius is the only way to describe you
Anything you've ever dreamed of, baby
Just ask me, I'll do, I'll do, I'll do it for you, baby Anything at all, spirits rise and spirits fall
Anything you ever dreamed of, I'm willing to be
Tonight is gonna be scandalous
'Cuz tonight I'm, tonight I'm gonna be your fantasy Scandalous, I'm talkin' about you and me
Marvelous, baby, baby, can't you see?
Anything you've ever dreamed of, I'm willing to be Tonight it's gonna be scandalous
'Cuz tonight I'm gonna be your fantasy
Scandalous, marvelous
