

# One Day

## Kamelot

can you remember the morning  
I told you goodbye  
just when a new was dawning  
a piece of me died somehow I have to try to  
getting used to being alone  
If I could only hold you once again  
I'd never let go save me a prayer  
when day turns to night  
lord won't you  
show me the light  
one day - I'll find back to my heart and soul again  
one day - I swear swear by your name memories keep me awake  
and you're there by my side  
I wonder if it's only in my mind  
that I am alive save me a prayer  
when day turns to night  
lord won't you  
tell me I'm right  
one day - I'll find back to my heart and soul again  
one day - I swear swear by your name one day - I'll find back to my heart and soul again  
one day - I swear swear by your name X2
