

One Day

Kamelot

can you remember the morning
I told you goodbye
just when a new was dawning
a piece of me died somehow I have to try to
getting used to being alone
If I could only hold you once again
I'd never let go save me a prayer
when day turns to night
lord won't you
show me the light
one day - I'll find back to my heart and soul again
one day - I swear swear by your name memories keep me awake
and you're there by my side
I wonder if its only in my mind
that I am alive save me a prayer
when day turns to night
lord won't you
tell me I'm right
one day - I'll find back to my heart and soul again
one day - I swear swear by your name one day - I'll find back to my heart and soul again
one day - I swear swear by your name X2
