

# Don't You (Forget About Me)

## Simple Minds

(Hey, hey, hey, hey) Won't you come see about me  
I'll be alone, dancing, you know it, baby  
Tell me your troubles and doubts  
Giving me everything inside and out Love's strange, surreal in the dark  
Think of the tender things that we were working on  
Slow change may pull us apart  
When the light gets into your heart, baby Don't you forget about me  
Don't, don't, don't, don't  
Don't you forget about me Will you stand above me  
Look my way, never love me  
Rain keeps falling  
Rain keeps falling  
Down, down, down  
Will you recognize me  
Call my name or walk on by  
Rain keeps falling  
Rain keeps falling  
Down, down, down, down (Hey, hey, hey, hey) Don't you try and pretend  
It's my feeling we'll win in the end  
I won't harm you or touch your defences  
Vanity, insecurity Don't you forget about me  
I'll be alone dancing, you know it, baby  
Going to take you apart  
I'll put us back together at heart, baby Don't you forget about me  
Don't, don't, don't, don't  
Don't you forget about me  
As you walk on by  
Will you call my name  
As you walk on by  
Will you call my name  
When you walk away Oh, will you walk away  
Will you walk on by  
Come on, call my name  
Will you call my name... I say, la la la  
When you walk on by  
And you call my name
