More Than This

One Direction

I'm broken, do you hear me? I'm blinded 'Cause you are everything I seeI'm dancing, alone I'm praying That your heart will just turn aroundAnd as I walk up to your door My head turns to face the floor 'Cause I can't look you in the eyes and sayWhen he opens his arms and holds you close tonight It just won't feel right 'Cause I can love you more than this, yeahWhen he lays you down, I might just die inside It just don't feel right 'Cause I can love you more than this Can love you more than this If I'm louder, would you see me? Would you lay down In my arms and rescue me?'Cause we are the same You saved me But when you leave it's gone againAnd then I see you on the street In his arms, I get weak My body feels I'm on my knees, prayingWhen he opens his arms and holds you close tonight It just won't feel right 'Cause I can love you more than this, yeahWhen he lays you down, I might just die inside It just don't feel right 'Cause I can love you more than this, yeahI've never had the words to say But now I'm asking you to stay For a little while inside my arms And as you close your eyes tonight I pray that you will see the light That's shining from the stars aboveAnd I sayWhen he opens his arms and holds you close tonight It just won't feel right 'Cause I can love you more than this 'Cause I can love you more than thisWhen he lays you down, I might just die inside It just don't feel right 'Cause I can love you more than this, yeahWhen he opens his arms and holds you close tonight It just won't feel right 'Cause I can love you more than this, yeahWhen he lays you down, I might just die inside It just don't feel right 'Cause I can love you more than this Can love you more than this Song Discussions is protected by U.S. Patent 9401941.
