

# Limbo No More

Alanis Morissette

My house  
My role  
My friends  
My man  
My devotion  
to god  
All amorphous  
Indefinite Nothing's been clear  
Nothing's been in  
Nothing's felt true  
And I've never had both feet in  
Nothing's been long  
Nothing's been yes  
Nowhere's been home  
And I'm ready to be limbo no more  
My taste  
My peers  
My identity  
My affiliation  
All amorphous  
Indefinite Nothing's been clear  
Nothing's been in  
Nothing's felt true  
And I've never had both feet in  
Nothing's been long  
Nothing's been yes  
Nowhere's been home  
And I'm ready to be limbo no more  
I sit with filled frames and  
My books and my dogs at my feet  
My friends by my side  
My past in a heap  
Thrown out most of my things only kept what I need  
To carve something consistent and notably me Tattoo on my skin  
My teachers in heart  
My house is a home  
Something at last I can feel a part of  
A sense of myself  
My purpose is clear  
My roots in the ground  
Something at last I can feel a part of Something aligned  
To finally commit

Somewhere I belong  
Cuz I'm ready to be limbo no more  
My wisdom applied  
A firm foundation  
A vow to myself  
'Cuz I'm ready to be limbo no more.
