

Exit Music (For a Film) [Remastered]

Radiohead

Wake from your sleep
The drying of your tears
Today we escape
We escapePack and get dressed
Before your father hears us
Before all hell
Breaks looseBreathe, keep breathing
Don't lose your nerve
Breathe, keep breathing
I can't do this alone
Sing us a song
A song to keep us warm
There's such a chill
Such a chill
And you can laugh
A spineless laugh
We hope your rules
And wisdom choke youAnd now we are one in everlasting peace
We hope that you choke, that you choke
