

# A Whole New World

Mena Massoud & Naomi Scott

I can show you the world  
Shining, shimmering, splendid  
Tell me, princess, now when did  
You last let your heart decide?  
I can open your eyes  
Take you wonder by wonder  
Over, sideways and under  
On a magic carpet ride A whole new world  
A new fantastic point of view  
No one to tell us, "no"  
Or where to go  
Or say we're only dreaming  
A whole new world  
A dazzling place I never knew  
But when I'm way up here  
It's crystal clear  
That now I'm in a whole new world with you  
(Now I'm in a whole new world with you) Unbelievable sights  
Indescribable feeling  
Soaring, tumbling, freewheeling  
Through an endless diamond sky A whole new world  
(Don't you dare close your eyes)  
A hundred thousand things to see  
(Hold your breath, it gets better)  
I'm like a shooting star  
I've come so far  
I can't go back to where I used to be  
A whole new world  
(Every turn, a surprise)  
With new horizons to pursue  
(Every moment, red-letter)  
I'll chase them anywhere  
There's time to spare  
Let me share this whole new world with you A whole new world  
(A whole new world)  
That's where we'll be  
(That's where we'll be)  
A thrilling chase  
(A wondrous place)  
For you and me
