

# Outlaw

## Selena Gomez & The Scene

You've been riding this horse a long time  
Why can't you find what you've been looking for?  
Always greener on the other side  
Always believin' there must be something more  
Never stay very long anywhere  
As the next girl you leave gets smaller  
In you rear-view mirror  
You're an outlaw  
You're an outlaw  
You're an outlaw running from love  
You're an outlaw  
You're an outlaw running from love  
If you tear her world apart  
You have no regrets  
If there's a key to your heart  
No one's found it yet  
You're an outlaw  
You're an outlaw  
You're an outlaw running from love  
Your reputation's gettin' out of control  
I can believe, she believes one word you said  
Before I let you take my girlfriend home  
I've got to warn her about the price on your head  
It must feel so alone out there  
Always running away from someone  
But you get nowhere  
You're an outlaw  
You're an outlaw  
You're an outlaw running from love  
You're an outlaw  
You're an outlaw  
You're an outlaw running from love  
If you tear her world apart  
You have no regrets  
If there's a key to your heart  
No one's found it yet  
You're an outlaw  
You're an outlaw  
You're an outlaw running from love  
I'm from the Lone Star State  
I'm ready to bring you in  
Oh I'm gonna seal your fate, make you pay for all of your sins  
Oh... Oh, oh  
You've been riding this horse a long time  
I've had my eye on you all night  
I'm gonna find a way to make you mine  
I know, even though  
You're an outlaw  
You're an outlaw  
You're an outlaw running from love  
You're an outlaw  
You're an outlaw  
You're an outlaw running from love  
If you tear her world apart  
You have no regrets

If there's a key to your heart  
No one's found it yet You're an outlaw  
You're an outlaw  
You're an outlaw running from love Stop running!
