

# Longing to Belong

Eddie Vedder

I'm falling harder than I've  
ever fell before  
I'm fallin faster, hoping  
I'll land in your arms  
cause all my time is spent here  
longing to belong  
to you I dream of circles perfect  
eyes within your face  
my heart's an open wound that  
only you replace  
and though the moon is rising  
can't put your picture down love, can be frightening when you fall  
And when the time is right, i  
hope that you'll respond  
like when the wind gets tired  
and the ocean becomes calm  
I may be dreaming but i'm  
longing to belong  
to you
