

Longing to Belong

Eddie Vedder

I'm falling harder than I've
ever fell before
I'm fallin faster, hoping
I'll land in your arms
cause all my time is spent here
longing to belong
to you I dream of circles perfect
eyes within your face
my heart's an open wound that
only you replace
and though the moon is rising
can't put your picture down love, can be frightening when you fall
And when the time is right, i
hope that you'll respond
like when the wind gets tired
and the ocean becomes calm
I may be dreaming but i'm
longing to belong
to you
